I had a dream and I saw you standin' and you were  
shinin' just like an angel  
I'd like to thank you for standing by me when things  
were darker you held the candle  
Do you remember when we took a dream and then  
turned it into today together  
Dreamin' seems to carry me back to where I wanna be  
Wrapped up in your arms and feeling better  
Rivers will run mountains will rise I love you more than  
the stars in the skies  
I'll never treat you wrong won't make you cry  
Just sing you sweet love songs won't tell you lies  
Wouldn't you like to go ridin' with me into tomorrow oh  
sweet fantasy  
[ ac.guitar ]  
Rivers will run mountains will rise I love you more than  
the stars in the skies  
Cherish what you sweet remember running through the  
sands of time  
Cherish it with all that's in you

Rivers will run mountains will rise I love you more than  
the stars in the skies  
Rivers will run eagles will fly I love you more than the  
stars in the skies  
Yes I love girl yes I love girl yes I love girl
