It's time for us to part  
Yeah, it's best for us to part  
Oh, but I love you,  
Ooooh, I love you

Take care of yourself,  
I'll miss you

The nights are long alone,  
I sit alone and moan  
Oh, 'cause I love you  
Ooooh, I love you

Take care of yourself,  
I'll miss you

And no more tears to cry,  
I'm out of goodbyes

It's time for us to part,  
Although it breaks my heart  
Oh, 'cause I love you  
Ooooh, I love you

Take care of yourself,  
Take care of yourself,  
Take care of yourself

I love you
