Take me back I'm begging please take me back I'm on  
my knees  
For you to scold me hurt me hold me darling take me  
back

When you belonged to me I had a jealous mind  
Too late I've learned that you were not the cheating  
kind  
Take me back...

My jealous eyes have learned to take a look or two  
They were too blind to see that I was losing you  
[ guitar ]  
They say you live and learn and though I've tried  
before  
I promise never to be jealous anymore  
Take me back...
