This is how we do it!  
(Ohhh..this is how we do it)  
Oh oh oh.. this is how we do it)  
Yeahh..oh oh oh  
This is how we do it.  
Its Friday night, and i feel alright  
The party is here on the west side  
So reach for my 40 and i turn it up

Designated driver take the keys to my truck  
Hit the shore cause i'm faded  
Honeys in the street say, monty, yo we made it!  
It feels so good!

.....

....

This is how we do it!  
(ohhh..This is how we do it)  
La ra ra ra ra..
