This thing right here
Is lettin' all the ladies know
What guys talk about
You know, the finer things in life hehehe
Check it out

Ooh that dress so scandalous
And you know another guy couldn't handle it
See you shaking that thing like who's da ish
With a look in your eye so devilish

Uh ya like to dance at all the hip-hop spots
Then you cruise through the crews like connect the
dots
Not just urban, she likes the pop
Cause she was living la vida loca

She had dumps like a truck, truck, truck
Thighs like what? What? What?
Baby, move your butt, butt, butt
I think I'll sing it again

She had dumps like a truck, truck, truck
Thighs like what? What? What?
All night long
Let me see that thong baby that thong thong thong
thong
thong

I like it when the beat go
(Dut dun, dut dun)
When you make your booty go
(Dut dun, dut dun) baby
That thong thong thong thong thong

Listen, that girl so scandalous
And I know another guy couldn't handle it
And she's shaking that thing like who's the ish
With a look in her eyes so devilish

Ah She like to dance on the hip-hop spots
And She cruise through the crews like connect da dots

Not just urban she likes her pop
Cause she was living la vida loca

She had dumps like a truck, truck, truck
Thighs like what? What? What?
