Off with your head  
D-dance-dance-dance 'til you're dead  
O-off-off-off with your head  
D-dance-dance-dance 'til you're dead  
O-off-off-off with your head

It's close to midnight  
And something evil's lurking in the dark  
Under the moonlight  
You see a sight that almost stops your heart  
You try to scream  
But terror takes the sound before you make it  
(Heads will roll, Heads will roll)  
You start to freeze  
As horror looks you right between the eyes  
You're paralyzed

'Cause this is thriller, thriller night  
And no one's gonna save you from the beast about to  
strike  
You know it's thriller, thriller night  
You're fighting for your life inside a killer thriller  
tonight

Off with your head  
D-dance-dance-dance 'til you're dead  
O-off-off-off with your head  
D-dance-dance-dance 'til you're dead  
(Thriller tonight)

You hear the door slam  
And realize there's nowhere left to run  
You feel the cold hand  
And wonder if you'll ever see the sun  
You close your eyes  
And hope that this is just imagination  
(Heads will roll, heads will roll)  
But all the while  
You hear the creature creepin' up behind  
You're out of time

'Cause this is thriller, thriller night  
There ain't no second chance against the thing with  
forty eyes, girl  
Thriller, thriller night  
You're fighting for your life inside a killer, thriller  
tonight

Off with your head  
D-dance-dance-dance 'til you're dead  
O-off-off-off with your head  
D-dance-dance-dance 'til you're dead  
(Thriller tonight)

Darkness falls across the land  
The midnight hour is close at hand  
Creatures crawl in search of blood  
To terrorize y'awl's neighborhood  
And though you fight to stay alive (Off with your head)  
Your body starts to shiver (Dance 'til you're dead)  
For no mere mortal can resist (Heads will roll, Heads  
will roll)  
The evil of the thriller (Heads will roll on the floor)

'Cause this is thriller, thriller night  
Girl, I can thrill you more than any ghost could ever  
dare try  
Thriller, thriller night  
So let me hold you tight and share a killer, thriller, ow!

Off with your head  
D-dance-dance-dance 'til you're dead  
O-off-off-off with your head  
D-dance-dance-dance 'til you're dead  
O-off-off-off with your head
