It's astounding, time is fleeting
Madness takes its toll
But listen closely, not for very much longer
I've got to keep control

I remember doing the time warp
Drinking those moments when
The blackness would hit me
And the void would be calling
Let's do the time warp again
Let's do the time warp again!

It's just a jump to the left
And then a step to the right
With your hands on your hips
You bring your knees in tight
But it's the pelvic thrust
That really drives you insane,

Let's do the time warp again
Let's do the time warp again

It's so dreamy, oh fantasy free me
So you can't see me, no not at all
In another dimension, with voyeuristic intention
Well-secluded, I see all

With a bit of a mind flip
You're there in the time slip

And nothing can ever be the same

You're spaced out on sensation
Like you're under sedation

Let's do the time warp again
Let's do the time warp again

Well I was walking down the street just a-having a think
When a snake of a guy gave me an evil wink
He shook me up, he took me by surprise
He had a pickup truck and the devil's eyes.

He stared at me and I felt a change
Time meant nothing, never would again

Let's do the time warp again
Let's do the time warp again

It's just a jump to the left
And then a step to the right
With your hands on your hips
You bring your knees in tight
But it's the pelvic thrust
That really drives you insane

Let's do the time warp again
Let's do the time warp again
