Those schoolgirl days
Of telling tales and biting nails are gone
But in my mind
I know they will still live on and on

But how do you thank someone
Who's taken you from crayons to perfume?
Oh, it isn't easy but I'll try

If you wanted the sky
I would write across the sky
In letters that would soar a thousand feet high
To sir, with love

The time has come
For closing books and long last looks must end
And as I leave
I know I'm leaving my best friend

A friend who taught me right from wrong
And weak from strong
That's a lot to learn
What can I give you in return?

If you wanted the moon
I would try to make a start
But I'd rather you let me give my heart
To sir, with love
