(Uh huh, uh huh) Ch-Yeah  
(Uh huh, uh huh) Holla  
Good girl gone bad  
(Uh huh, uh huh) Take three... Action!  
(Uh huh, uh huh) Hov!

You had my heart, and we'll never be worlds apart  
Maybe in magazines but you'll still be my star  
Baby 'cause in the dark you can't see shiny cars  
And that's when you need me there  
With you I'll always share Cause I'm

Singin' in the rain  
Just singin' in the rain,  
What a glorious feeling,  
And I'm happy again.  
I'm laughing at clouds  
So dark, up above,  
I'm Singin' in the rain  
singin' in the rain

You can stand under my umbrella (ella ella eh eh eh)  
Under my umbrella (ella ella eh eh eh)  
Under my umbrella (ella ella eh eh eh)  
Under my umbrella (ella ella eh eh eh eh eh)

These fancy things will never come in between  
You're apart of my entity  
Here for infinity  
When the war has took his part  
When the world has delt it's card  
If the hand is hard together we'll mend your heart  
Cause I'm

Singin' in the rain  
Just singin' in the rain,  
What a glorious feeling,  
And I'm happy again.  
I'm laughing at clouds  
So dark, up above,  
I'm Singin' in the rain

singin' in the rain

(sung over the top of each other)

You can stand under my umbrella (ella ella eh eh eh)

Under my umbrella (ella ella eh eh eh)

Under my umbrella (ella ella eh eh eh)

Under my umbrella (ella ella eh eh eh eh eh eh)

(sung over the top of each other)

Singin' in the rain

Just singin' in the rain,

What a glorious feeling,

And I'm happy again.

I'm laughing at clouds

So dark, up above,

I'm Singin' in the rain

singin' in the rain

It's raining (raining)

Oh baby it's raining (raining)

Baby come into me

Come into me

It's raining (raining)

Oh baby it's raining (raining)

Baby come into me

Come into me

It's raining (raining)

Oh baby it's raining (raining)

Baby come into me

Come into me

It's raining (raining)

Oh baby it's raining (raining)

Baby come into me

I'm ready for love
