Haul out the holly  
Put up the tree before my spirit falls again  
Fill up the stocking  
I may be rushing things but deck the halls again now

For we need a little Christmas  
Right this very minute  
Candles in the window  
Carols at the spinet

Yes, we need a little Christmas  
Right this very minute  
It hasn't snowed a single flurry  
But Santa, dear, we're in a hurry

So climb down teh chimney  
Turn on the brightest string of lights I've ever seen  
Slice up the fruitcake  
It's time we hung some tinsel on that evergreen bough

For I've grown a little leaner  
Grown a little colder  
Grown a little sadder  
Grown a little older

And I need a little angel  
Sitting on my shoulder  
I need a little Christmas now

Haul out the holly  
For once I taught you all to live each living day  
Fill up the stocking  
But Auntie May it's one week past Thanksgiving day  
now

But we need a little christmas  
Right htis very minute  
Candles in the window  
Carols at the spinet

Yes, we need a little Christmas  
Right this very minute

It hasn't snowed a single flurry  
But Santa, dear, we're in a hurry

So climb down the chimney  
It's been a long time since I felt good neighborly  
Slice up the fruitcake  
It's time we hung some tinsel on that evergreen bough

For we need a little Christmas  
Right this very minute  
Candles in the window  
Carols at the spinet

Yes, we need a little Christmas  
Right this very minute  
We need a little Christmas now  
We need a little Christmas now (We need a little  
Christmas x2)  
We need a little Christmas now
