I know it's late
I know you're weary
I know your plans don't include me
Still here we are

Both of us lonely

Longing for shelter from all that we see
Why should we worry?
No one will care, girl
Look at the stars now, so far away

We've got tonite
Who needs tomorrow?
We've got tonite, babe, why don't you stay?

Deep in my soul
I've been so lonely
All of my hopes now so fading away
I've longed for love
Like everyone else does
I know I'll keep searching after today

So there it is, girl
We've got it all now
And here we are, babe
What do you say?

We've got tonite
Who needs tomorrow?
We've got tonite, babe, why don't we stay?

I know it's late and I know you're weary
I know your plans don't include me
Still here we are
Both of us lonely, both of us lonely

We've got tonite
Who needs tomorrow?
Let's make it last
Let's find a way

Turn out the light, come take my hand now
We've got tonite, babe, why don't we stay?
We've got tonite, babe, why don't we stay?
