Here was a time when we were down and out.
There was a place when we were starting over.

We let the bough break
We let the heartache in

Who's sorry now?

There was a world when we were standing still -

And for a moment we were separated. -

And then you found her
You let the stranger in

Who's sorry now

Who's sorry now?

What

What kind of fool tears it apart

Leaving me pain and sorrow -

Losin' you now

Wondering why. -

Where will I be tomorrow?

There was a time when we were down and out...

What

What kind of fool tears it apart

Leaving me pain and sorrow -

Losin' you now.

How can I win -

Where will I be tomorrow?

Was there a moment when I cut you down

Played around.

What have I done only apologize for being as they say

The last to know -

It has to show when someone is in your eyes.

What kind of fool tears it apart
