The end has come and found us here with our toys  
scattered all around us here  
The puzzle that we never found an answer for  
Still asks us darlin' just what all the games were for  
And here we stand in a box of sands  
Where's the playground Susie  
You're the one who's supposed to know her way around  
Where's the playground Susie if I don't stay around if I  
don't stay around  
[ strings ]  
The carousel has stopped us here it twirled a time or  
two and then it dropped us here  
And still you're not content with something about me  
But what merry-go-round can you ride without me  
To take your hand how would you stand  
Where's the playground Susie if I decide to let you go  
and play around  
Where's the playground Susie if I don't stay around if I  
don't stay around  
Where's the playground Susie...
