Smile an everlasting smile a smile could bring you near
to me
Don't ever let me find you're gone cause that would
bring a tear to me
This world has lost it's glory let's start a brand new
story now my love
Right now there'll be no other time and I can show you
all my love
Talk an everlasting words and dedicate them all to me
And I will give you all my love I'm here if you should call
to me
You think that I don't even mean a single word I say
It's only words and words are all I have to take your
heart away
[strings]
You think that I don't even mean a single word I say
It's only words and words are all I have to take your
heart away
It's only words and words are all I have to take your
heart away
It's only words and words are all I have to take your
heart away
