Shelby

It's been a long time since I came around
Been a long time but I'm back in town
And this I'm not leaving without you

Will

Just you and I
Sharing our love together
And I know in time
We'll build the dreams we treasure
And we'll be all right just you and I

Shelby

There's something, something about this place

Will

Just you and, just you and I

Shelby and will

Something 'bout lonely nights and my lipstick on your
face

Will

Just you and I

Shelby and will

Something, something about my cool nebraska guy
Yeah, something about, baby, you and I

Will

Just you and I

Shelby

Just you and I

Shelby and will

Sharing our love together

Will

And I know in time

Shelby
And I know in time

Shelby and will
We'll build the dreams we treasure
And we'll be all right,
Just you and I

Shelby
There's something, something about this place

Will
Just you and, just you and I
Shelby and will
Something 'bout lonely nights and my lipstick on your
face

Will
Just you and I

Shelby and will
Something, something about my cool nebraska guy
Yeah, something about, baby, you and I

Oh, you and I remember our first embrace,
That smile that was on your face,
The promises that we made
And now your love is my reward,
And I love you even more,
Than I ever did before

Shelby
There's something, something about this place

Will
Just you and, just you and I

Shelby and will
Something 'bout lonely nights and my lipstick on your
face

Will
Just you and I

Shelby and will
Something, something about my cool nebraska guy
Yeah, something about, baby, you and I
So put your drinks up, for nebraska
For nebraska, nebraska, I love you

Yo and I

You, yo~¼ and I
Baby! I rather die!
Without yo~¼ and I

We made it you and i
