Marley
Mmm... Ohhh
We feel, we hear, your pain, your fear
But we're here, to say, who you are, is okay

Blaine:
And you don't have to go through this on your own
You're not alone

Marley:
You have more friends than you know
Some who surround you
Some you are destined to meet
You'll have more love in your life

Unique:
Don't let go, give it time

Unique and Sam:
Take it slow
Those who love you the most, may need more time to
grow

Unique:
It's gonna be okay (Sam: It's gonna be okay)
You have more friends than you know
Be brave, be strong,
You are loved, you belong
