When the music comes to an end
And the clouds silhouette the moon,
In my dreams I recall the sunset,
In my heart I replay the tune.
Now this road stretches on and on
And from here it goes off in two.
I don't know your destination,
But I know I'll be there with you.

Someday we'll meet again.
Someday I know it's true.
We'll be together somehow, some way
I'll be there someday.

When all our goodbyes are in the past
And it won't come a day too soon.
By then many things may change me
But I'll still go on loving you.

Someday we'll meet again
Someday I know it's true
We'll be together somehow, some way
I can feel it in my heart.
Someday I'll touch your hand.
Someday I swear to your,
You must believe me, somehow some way
I'll be there, someday.

There'll come a time for you and me.
There'll be a place for us, you'll see,
Where these two hearts will beat as one,
A place in the sun.

Someday we'll meet again.
Someday I know it's true.
We'll be together somehow, some way
I'll be there someday.

Someday I swear to you,
We'll be together somehow, some way,
I'll be there,

Someday
Someday
You must believe me somehow, some way
I'll be there,
Someday.
