Nine to five
I just work away
The same old routine every single day
When i get home
All i do is dream
Gaze infront of the screen

I want to be a part of this
I want to be in lights for my first screen kiss
Try to break away
Get my head out of the clouds
But you turn up the volume
And it comes back down to this
I want to be
A T.V hero

Studio lights are turned up bright
Shining down on the leading light
Joker sitting all alone
I've got no chance so i stumble home

I want to be a part of this
I want to be in lights for my first screen kiss
Try to break away
Get my head out of the clouds
But you turn up the volume
And it comes back down to this
I want to be
A T.V hero

Then I saw me just after the showdown
Waters blazing through the air
And ride through the ghost town
Everybody's looking at me
Don't you think i'll do it
Wait and see
I'll be number one

Mr flickaswitch i need a break
Hey producer cut me on the cake
My T.V set has left me in no doubt

If it doesn't happen soon i'm gonna kick it out

I want to be a part of this
I want to be in lights for my first screen kiss
Try to break away
Get my head out of the clouds
But you turn up the volume
And it comes back down to this
I want to be
A T.V hero

I wanna be
I wanna be
I need a break
I need a break
I need a break

I just can't take
I wanna be
I wanna big home and a limo too
I wanna be
Gimme a visa and ill be back to you
Coz i wanna be a T.V hero
I said i wanna be a T.V hero
I said i wanna be a T.V hero
