(Intro)

Greetings, earthlings

We have now taken over your radioooo.....

(B-Real)

Goin' straight to the hole

You ain't got no game

I'm breakin' ya out the frame

Coming through like a train

Looking to take over the world is my goal

With my unstoppable crew takin' all control

You can't get none of this, we're runnin' this

Well taker, earth shaker, 3 point gunnin' this

Get out the lane, I'm comin' through

And if you don't wanna move then I'm comin' right
through you

(Coolio)

It's like inch by inch and step by step

I'm closing in on your position and destruction is my
mission

Though eight is not enough, your whole squad better
duck

It's like switch when I bust

Now you're whole crew is dust

Comin' through my area, I'm a have to bury ya

The real scream team on your scream scene

It's like showdown in Derango

Go tell me who wanna tangle with the
ghetto witch-doctor neighborhood superhero?

Chorus:

(B-Real)

We want it all (want it all!)

Unstoppable, we run the floor (run the floor!)

You can't take none of this hardcore (hardcore!)

In the game we take you to war (war!)

You ain't seen nothin' like this before

(all)

If I hit 'em high, hit 'em high, hit 'em high

And you hit 'em low, hit 'em low, hit 'em low

If I hit 'em high, hit 'em high, hit 'em high

And you hit 'em low, hit 'em low, hit 'em low

(Method Man)

Insane like a runaway train I'm in your lane
Like it's only 3 seconds to score to win the game
Came to bring the ultimate pain upon the brain
Untamed, you won't like it when I change
And you are type strange
Make room, maniacal monster in
