(Ronald Miller - Bryan Wells)

Like a long lonely stream I keep running  
For the dream moving on, moving on  
Like a branch on a tree I keep reaching  
To be free moving on, moving on.

There's a place in the sun where there's hope for  
everyone  
Where my poor restless heart's gotta run  
There's a place in the sun and before my life is done  
Gotta find me a place in the sun.

Like a dusty old road I get weary  
From the load moving on, moving on  
Like this tired troubled earth I've been running  
Since my birth moving on, moving on.

There's a place in the sun where there's hope for  
everyone  
Where my poor restless heart's gotta run  
There's a place in the sun and before my life is done  
Gotta find me a place in the sun...
