When somebody loves you it's no good  
Unless she loves you all the way  
Happy to be near you when you need someone  
To cheer you all the way

Taller than the tallest tree is  
That's how it's got to be  
And deeper than the deep blue sea is  
Now that's how deep it goes if it's real

When somebody needs you it's no good  
Unless she needs you all the way  
Through the good or lean years  
And through all the end between it, come what may

Who knows where the love will lead us, only a fool  
would say  
But if you let me love you it's for sure  
I'm gonna love you all the way, darling, all the way  
(Who knows where the love will lead us only a fool  
would say)

But if you let me love you it's for sure  
I'm gonna love you all the way all the way
