Found some letters that you wrote me this morning  
And they told of a love we once knew  
Now they're gone, I've burned them to ashes  
Don't want nothing to remind me of you

Burning bridges behind me  
It's too late to turn back now  
Burning bridges behind me  
All I want is to forget you somehow

Sold the house we once planned together  
I said goodbye to the friends we once knew  
Then I moved to a faraway city  
Trying hard to forget about you

Burning bridges behind me  
It's too late to turn back now  
Burning bridges behind me  
All I want is to forget you somehow  
All I want is to forget you somehow
