Can't you see I'm tryin'
Can't you see I'm tryin'
Oh why do you put me down
And leave me cry-yin'

Everywhere I wanna go you don't wanna go
Everything I wanna do you don't wanna do
Oh-woh-woh, Why are you so hard to me
(?.....?)

Can't you see I'm tryin'
Can't you see I'm tryin'
Oh why do you put me down
And leave me cry-yin'

I'll do anything to help you get your kicks
But I'm scrapin' the bottom of my bag of tricks
Oh-woh-woh, And I have needs to fulfill an occasional
thrill

Can't you see I'm tryin'
Can't you see I'm tryin'
Oh why do you put me down
And leave me cry-yin'

Can't you see I'm tryin'
Can't you see I'm tryin'
Oh why do you put me down
And leave me cry-yin'

Woh, Can't you see I'm tryin'
Can't you see I'm tryin'
Oh why do you put me down
And leave me cry-yin'

Woh, Can't you see I'm tryin'
Can't you see I'm tryin'
Oh why do you (fade)
