In the chilly hours and minutes of uncertainty I want to
be
In the warm hold of your lovin' mind
To feel you all around me and to take your hand along
the sand
Ah, but I may as well try and catch the wind

When sundown pales the sky I want to hide a while
behind your smile
And everywhere I'd look your eyes I'd find
For me to love you now would be the sweetest thing
would make me sing
Ah, but I may as well try and catch the wind

When rain has hung the leaves with tears I want you
near to kill my fears
To help me to leave all my blues behind
For standing in your heart is where I want to be and
long to be
Ah, but I may as well try and catch the wind
Ah, but I may as well try and catch the wind
Ah, but I may as well try and catch the wind
