(Hank Williams)

I've tried so hard my dear  
To show that you're my every dream  
Yet you're afraid each thing I do  
Is just some evil scheme

A mem'ry from your lonesome past  
Keeps us so far apart  
Why can't I free your debtful mind  
And melt your cold, cold heart.

Another love before my time  
Made your heart sad and blue  
And so my heart is paying now  
For things I didn't do.

In anger unkind words are said  
That make the teardrops start  
Why can't I free your debtful mind  
And melt your cold, cold heart.

There was a time when I believed  
That you belonged to me  
But now I know your heart  
Is shackled to a memory.

Why do you run and hide from life  
To try it just ain't smart  
Why can't I free your debtful mind  
And melt your cold, cold heart...
