Don't pull your love out on me baby  
If you do, I think that maybe I'll just lay  
Me down and cry for a hundred years  
Don't pull your love out on me, honey  
Take my heart, my soul, my money  
But don't leave me here to drown in my own tears

You say you're gonna leave  
Gonna take that big white bird  
Gonna fly right out of here without a single word  
But you know you'll break my heart  
When I watch you close that door  
'Cause I know I won't see you any more  
(repeat chorus)

Haven't I been good to you  
What about that brand new ring  
Doesn't that mean love to you  
Doesn't that mean anything  
If I throw away my pride and I got down on my knees  
Would you make me beg you pretty please  
(Repeat chorus)

There's so much I want to do  
I've got love enough for two  
I'll never use it girl If I don't have you  
(repeat chorus)

THEN YOU CAN TELL ME GOODBYE

Kiss me each morning for a million years  
Hold me each evening by your side  
Tell me you love me for a million years  
Then if it don't work out  
Then if it don't work out  
Then you can tell me goodbye

Sweeten my coffee with a morning kiss  
Soften my dreams with your sigh  
After you've loved me for a million years  
Then if it don't work out  
Then if it don't work out

Then you can tell me goodbye

If you must go I won't grieve  
If you just wait a life time before you leave  
If you must go, I won't say "no"  
Just so we can say that we tried  
Tell me you love me for a million years  
Then if it don't work out  
Then if it don't work out  
Then you can tell me goodbye
