Hey... little one  
So far from home  
And so alone

Hey... little one  
I'm just li-ike you  
I'm lonely too

The road of life is a long long roa-oad  
When you walk alo-o-o-one  
Then I found you  
And I found a lo-ove  
A love I've never know-ow-ow-own  
A love I've never know-own

Hey...  
Hey, Hey, Hey - little one  
Don't go away  
Tell me you'll stay

Hey... Hey, Hey, Hey - little one  
I'm just like you  
I'm so-o lo-onely too...
