(Bob Dylan)

I can't understand she let go of my hand
An' left me here facing the wall
I'd sure like to know why she did go
But I can't get close to her at all.

Though we kissed through the wild blazing nighttime
She said she would never forget
But now morning is clear it's like I ain't here
She just acts like we never have met.

If I didn't have to guess, well, I'd gladly confess
To anything that I might have tried
If I was with her too long or I've done something wrong
I wish she'd tell me what it is I'll run and hide.

From darkness dreams are deserted
Am I still dreaming yet
Well, I wish she'd unlock her voice once and talk 'stead
Of acting like we never have met.

If she ain't feeling well then why don't she tell
'Steard of turning her back to my face
Without any doubt now she seems too far out
For me to return to her chase.

Though the night ran swirling and whirling
I remember her whispering yet
But evidently she don't an' evidently she won't
She just acts like we never have met.

Well, I'm leavin' today I'll be on my way
Of this I can't say very much
But if you want me to I can be just like you
And pretend that we never have touched.

And if anybody should ask me
Is it easy to forget
I'll say it's easily done you just pick anyone
And pretend that you never have met...
