Deep down inside I know I still lo-ove her
But she'll never know 'cause I'll never tell
Or confide that I'm thinkin' o-of her
And wishing her well
I can't walk up to her and say to her
Baby, just what you been do-oing
I still love you like I did
You-ou know that nothing's really changed
But bein' the way I am
I keep it hid
Now lately I've seen the look in her-er eyes
That just breaks my heart'Cause she-e needs me so
Just to lean on right at this moment
Oh why can't I go up to that old love of mine and say
Baby, just what you been do-oing
I still love you like I did
You-ou know that nothin's really changed
But bein' the way I am
I keep it hid
Now maybe some day I'll throw off my foolish
pride'Cause this ain't no good
Watching her dying this way'Cause she's the same girl
inside
But why can't I go up to that old love of mine and say
Baby, just what you been do-oing
I still love you like I did
You-ou know that nothin's really changed
But bein' the way I am
I just keep it...
