Flowers have blooms
The ocean has waves
The sky has clouds
People have babes
I wanna live till I get old
I wanna watch all of this grow

I wanna live, live and let live
I want all the love this life has to give
I wanna smile and be friendly with you
I wanna live and let you live some too

Rover is big
Tabby is small
Betty is short
Jimmy is tall

They wanna live, live and let live
They want all the love this life has to give
They wanna smile and be friendly with you
They wanna live and let you live some too
We wanna live, but don't you
