If you could read my mind love  
What a tale my thoughts could tell  
Just like an old time movie  
About a ghost from a wishing well

In a cast the dark of a fortress strong  
With chains upon my feet  
You know that ghost is me and I won't ever be set free  
As long as I'm a ghost that you can't see

If I could read your mind love  
What a tale your thoughts could tell  
Just like a paper back novel the kind  
The drug stores sell

Then you reached the part where the heartaches come  
The hero would be me but heroes often fail  
And you won't read that book again  
Because the ending's just too hard to take

I'd walk away like a movie star  
Who gets burned in a three way script enter number 2  
A movie queen to play the scene  
Of bringin' all the good things out in me

But for now love let's be real  
I never thought I could feel this way  
And I've got to say that I just don't get it  
I don't know where we went wrong

But the feelin' is gone and I just can't get it back

If you could read my mind love

But stories always end and  
If you read between the lines  
You'd know that I'm just tryin'  
To understand the feelin's that you lack

I never thought I could feel this way  
And I've got to say that I just can't get it back
