I'll hold you in my heart till I can hold you in my arms
Like you'd never been held before
I'll think of you each day and then I'll dream the night
away
Till you're in my arms once more
The stars up in the sky they know the reason why
I feel so blue when I'm away from you
I'll hold you in my heart till I can hold you in my arms so
darling please wait for me
The stars up in the sky yes they know they know the
reason why
I feel so blue when I'm away yes when I'm away from
you

(I'll hold you in my heart till I can hold you in my arms)
Oh so darling please wait for me (please wait for me)
