I have sung for kings and queens all arou-ound the
wor-orld
I have romanced millions with my guitar and a lo-o-ove
song
Taj Mahal to Paris, Galveston to Hollywoo-ood
I thought I had done it all the-en I met You

Now I'm singin' a new so-ong
Makin' music for Jesus my Ki-ing
He is my hero
He's become my everything
Now there's no other song
No higher melody
U-nder heaven, the greatest love story
Jesus and me

People call me a winner
But I know what it mea-eans to lose
I've seen some high times
I've paid some due-ue-ues
Payin' dues just isn't enough
Nothin' seemed to satisfy me
Until I met Jesus
I'll tell you He's alive
And I am free

Now I'm singin' a new so-ong
Makin' music for Jesus my Ki-i-ing
He is my hero
He's become my everything
Now there's no other song
No higher melody
U-nder heaven, the greatest love story
U-nder heaven, the greatest love story
Under heaven, the greatest love story
Jesus and me
