Let me be a little kinder  
Let me be a little blinder  
To the faults of those around me  
Let me praise a little more

Let me be when I am weary  
Just a little bit more cheery  
Think a little more of others  
And a little less of me

Let me be a little braver  
When temptation bids me waver  
Let me strive a little harder  
To be all that I should be

Let me be a little meeker  
With the brother who is weaker  
Think a little more of others  
And a little less of me

Let me be when I am weary  
Just a little bit more cheery  
Let me serve a little better  
Those that I am striving for

Let me be a little meeker  
With the brother who is weaker  
Think a little more of others  
And a little less of me

Let me be a little meeker  
With the brother who is weaker  
Think a little more of others  
And a little less of me, less of me
