[Chorus:]

Now love is pouring through the windows  
Comin' through the door  
I can feel it creepin' through the cracks in the floor  
Bouncin' off the walls and the ceilin' up above  
Since I found you I'm livin' in a house of love

All my life my hear's been walked on  
Women said they loved me my how they talked tellin'  
me lies  
And fillin' my eyes with tears that I couldn't control  
I couldn't get a hold of myself long enough to realize

They were only tryin' to pull the wool over my eyes  
I found you then the skies turned blue  
I'm livin' in a house of love

Once I lived in a hole like a rabbit  
I couldn't find love the blues were a habit  
A lonely man and I couldn't understand  
Why everything I tried went wrong  
'Til you came along bless your heart and showed me  
the right way  
You dried my eyes and turned my night to day  
And I'm so proud I wanna holler our loud  
Tell the world about my house of love
