Oh what a woman she treats me uncommonly good  
yeah she does  
My my woman she treats me like my woman should  
yeah she does  
Well she's good as a woman can be anything to satisfy  
me  
Yes oh what a woman she treats me uncommonly good  
Well she cleans my house she sews my britches  
scratches my back everytime it itches  
Cooks my food and has my youngun's makes me  
proud that she's my woman yeah

She knows I like cornbread butter milk onions and  
tomatoes  
White beans turnip greens Irish potatoes  
Sets me a table that's fit for a king cause she loves just  
being my queen  
Oh what a woman treats me uncommonly good

Well some fellows don't know when they take a wife  
Just what kind of woman they're stuck with for life  
Now I've known men who took their spouse

And she wound up wearin' the britches in the house

Yeah but now my little woman on the other hand can't  
do enough to please her man  
Spends her time just bein' my girl and there's not  
another like her in the world no  
Oh what a woman she treats me uncommonly good  
yeah she does  
My my woman she treats me like my woman should  
Well she's good as a woman can be anything to satisfy  
me  
Well oh what a woman treats me uncommon  
uncommonly good
