Look out, old Norwood's a-comin' home  
Well he's been away on a four year government loan  
Well he's a fighter and a lover  
All the girls better run for cover  
A-look out, old Norwood's a-comin' home.

When he gets back to his hometown  
I wonder if he'll settle down  
Even as a lad he was hard to tame  
Things around here ain't never gonna be the same.

Well he ain't changed though he's a little older  
Still wears a guitar around his shoulder  
Look out, old Norwood's a-comin' home.

When he gets back to his hometown  
I wonder if he'll settle down  
Even as a lad he was hard to tame  
A-things around here ain't never gonna be the same.

He ain't changed though he's a little older  
Still wears a guitar around his shoulder  
Look out, old Norwood's a-comin' home.
