I beg you pardon I never promised you a rose garden  
Along with the sunshine there's gotta be a little rain  
sometimes  
When you take you got to give so live and let live or let  
go  
I beg you pardon I never promised you a rose garden

I could promise you things like big diamond rings  
But you don't find roses growin' on stalks of clover  
So you better think it over  
When it's sweet talking you could make it come true  
I would give you the world right now on a silver platter  
But what would it matter

So smile for a while and let's be jolly love shouldn't be  
so melancholy  
Come along and share the good times while we can  
I beg you pardon I never promised you a rose garden  
Along with the sunshine girl there's gotta be a little rain  
sometimes

I could sing you a tune and promise you the moon  
But if that's what it takes to hold you I'd just as soon let  
you go  
But there's one thing I want you to know  
You better look before you leap still water runs deep

And there won't always be someone there to pull you  
out  
And you know what I'm talking about

So smile for a while and let's be jolly love shouldn't be  
so melancholy  
Come along and share the good times while we can  
I beg you pardon I never promised you a rose garden  
Along with the sunshine girl there's gotta be a little rain  
sometimes
