Someday an old familiar rain  
Will come along and know my name  
And then my shelter will be gone  
And I'll have to move along

But till I do  
I'll stay awhile  
And track the hidden country of your smile

Someday the man I used to be  
Will come along and call on me  
And then because I'm just a man  
You'll find my feet are made of sand

But till that time  
I'll tell you lies  
And chart the hidden bound'ries of your eyes

Someday the world I used to know  
Will come along and bid me go  
Then I'll be leavin' you behind  
For love is just a state of mind

But till that day  
I'll be your man  
And love away your troubles if I can

And till that day  
I'll be your man  
And love away your troubles if I can
