Where do I begin  
To tell the story of how great a love can be?  
The sweet love story that is older than the sea  
The simple truth about the love she brings to me  
Where do I start?

With her first hello  
She gave a meaning to this empty world of mine  
Thereâ€™d never be another love, another time  
She came into my life and made the living fine  
She fills my heart

She fills my heart with very special things  
With angelsâ€™ songs, with wild imaginings  
She fills my soul with so much love  
That anywhere I go, Iâ€™m never lonely  
With her along, who could be lonely?  
I reach for her hand, itâ€™s always there

How long does it last?  
Can love be measured by the hours in a day?  
I have no answers now, but this much I can say  
I know Iâ€™ll need her 'till the stars all burn away  
And sheâ€™ll be there, sheâ€™ll be there
