If I had just one so-ong
One song to si-ing
To the world that we live in today
I'd sing of a love
A wonderful love
That helps me to walk down life's way

I'd sing of the One
Who loves me so
He knows every breath that I take
He's such a friend
On Him I depend
To guide every step that I make

He suffered and died
That I might live
To praise Him is little to say
I know you'd sing too
If you only knew
This Savior I sing of today

He's such a friend
On Him I depend
This Savior I sing of today
My Savior I sing of today
