It's too late to worry  
(I'm too blue to cry)

I broke your heart dear, I was untrue  
And now I've lost you, what can I do

I hope you're happy baby for I'll get by  
Too late to worry, too blue to cry  
(Too late, too blue to cry)

Our love has ended, you say we're through  
You found a new love that's so good to you

I'll always love you as days go by  
(I'll always love you as days go by)  
It's too late to worry, worry, worry  
I'm too late to cry, oh yeah
