"Turn Around, Look At Me"

There is someone
Walking behind you
Turn around, look at me
And there's someone
Watching your footsteps
Turn around, look at me

There is someone
Who really needs you
Here's my heart in my hand
Turn around, look at me
And understand, understand

That there's someone
To stand beside you
Turn around, look at me
And there's someone
To love and guide you
Turn around, look at me

Oh, I've waited
But I'll wait forever
For you to come to me

Look at someone
Who really loves you
Yes, who loves you
Turn around, look at me

Turn around, look at me
