(Buffy Sainte Marie)

You're not a queen, you're not an angel you're a
woman
I'm not a king, I'm a man take my hand
We'll make a space in the lives that we planned
And here I'll stay until it's time for me to go.

Though we're different we're apart, we're not the same
We laughed and played and searched like in a game
You could have stayed outside my heart but in you
came
So here I'll stay until it's time for me to go.

Don't ask why, don't ask how, don't ask forever
Love me, just love me, love me now
This love of mine has no beginning it has no end
I was an oak now I'm a willow I can bend.

And though I'll never in my life see you again
So here I'll stay until it's time for me to go.

--- Instrumental ---

And though I'll never in my life see you again
So here I'll stay until it's time for me to go...
