(Merle Travis - Tex Atchison)

(When you cry you cry alone.)

When you smile the whole world smiles with you  
And your life is just a happy song  
Love won't linger in a heart that's blue  
When you cry you cry alone.

No, don't hang your head in misery  
Although life and love have done you wrong  
Oh, what fate has planned is sure to be  
Yes, when you cry you cry alone.

But when you smile the whole world smiles with you  
And old mem'ries don't linger very long, very long  
Yes, the sorrow loves its solitude  
When you cry you cry alone...
