You have broken me all the way down,
Down upon my knees.
And you have broken me all the way now,
You'll be the last, you'll see.
And some fight you gave, when I pushed you away,
From me

And in the morning
When you turning
I'll be far too see

And you have broken me all the way down
You'll be the last, you'll see.
Ohh oohh ohh ohh... ouh
Da da da daa dam,

And one chance that we got
When you missed every shot
For me

And in the morning
When you turning
I'll be out of reach

And in the darkness
When you find this
I'll be far too see.

And you have broken me all the way down
You'll be the last, you'll see... oh god
Dam dam dam daradamdam...
