are you really here
or am i dreaming
I can't tell dreams from truth
for it's been so long
since I have seen you
I can hardly remember your face anymore
when i get really lonely
and the distance calls its only silence
i think of you smiling
with pride in your eyes
a lover that sings

if you want me
satisfy me
if you want me
satisfy me

are you really sure
that you believe me
when others say i lie
i wonder if you could
ever despise me
you know i really try
to be a better one to satisfy you
for you're everything to me
and i do what you ask me
if you let me be free

if you want me
satisfy me
if you want me
satisfy me
