Scratching at the surface now
And I'm trying hard to work it out

And so much has gone misunderstood
And this mystery only leads to doubt

And I didn't understand
When you reached out and take my hand

And if you have something to say,
You better say it now

Cause this is what you've waited for
Your chance to even up the score

And as these shadows fall, on me now
I will somehow, ye-eh

Cause I'm picking up the message Lord
I'm closer than I've ever been before

So if you have something to say,
Say it to me now
Say it to me now now
Ooooh Ooh Oh Oh
