Leave my past, leave my home  
And I'll find my way  
to the great unknown

Like the shore finds the ocean  
Like the night finds the day  
I'll find an answer to these questions  
Far away  
Far away

Break these chains, unlock this door  
And I'll change my name  
It's time I've got to go

Heading over the water  
Heading over the waves  
And on the shore to discover  
Far away  
Far away

Like the shore finds the ocean  
Like the night finds the day  
I'll find an answer to these questions  
Far away  
Far away  
Far Away
