Let us be humbled tonight
In these doubts show us the light
Give us peace, lay down the mighty
In these doubts show us the light

Oh God, I pray to Thee
Don't want to die before we're free
Dive down inside the sea
Maybe at the bottom I'll find some key

Let us be humbled tonight
In these doubts show us the light
Give us strength, to lay down the mighty
In these doubts show us the light, I pray

Oh God, I pray to Thee
Don't want to die before we're free
Dive down inside the sea
Maybe at the bottom I'll find some key

Oh God, will you hear my cry?
I don't want to see another innocent die
I'll dive down inside these depths
Keep my faith and hold my breath

The more we fight, the less it bends
Lay down your arms, gather your friends
Strengthen your heart this will end
Lay down your arms, gather your friends

Lay down your arms, gather your friends
Lay down your arms, gather your friends
Lay down your arms, gather your friends
Gather your friends

Oh God, I pray to Thee
Don't want to die before we're free
Dive down inside the sea
Maybe at the bottom I'll find some key

Oh God, will you hear my cry?
Don't want to see another innocent die

Dive down to the deepest depths
Keep my faith and hold my breath
